An automobile owned by R. L. Mahaley was injured Wednesday afternoon when it was hit by Hull Street car No. 23, at the corner of Seventh and Bainbridge Streets. Five passengers were in the car, and Mr. Mahaley was at the wheel. The automobile was knocked a few feet and damaged, but no one was hurt.
Wednesday about midnight, or early

yesterday morning, the buggies of E. S. Bass, of 1811 Bainbridge Street, and Walter Gill, of Eighth and McDonough Streets, were run into and badly damaged by a vehicle driven by an unknown man. Three men occupied the colliding vehicle, but they quickly drove down the Hermitage Road, the scene of the collision. Mr. Bass, his wife and child were thrown out. Mrs. Bass receiving severe injuries.
Mr. Gill's Also Struck.
After smashing into Mr. Bass's buggy

the trio treated Mr. Gill in like manner. Mrs. Gill and three children were with Mr. Gill, but none was hurt, though badly scared. Mr. Bass whipped his horse and chased the unknown men some distance. The former believes he could identify them on sight.

Altogether, Mrs. Bass did not have a very pleasant day. Several hours prior to the collision she was robbed of her purse by a sneak thief, while walking through the new administration building at the Fair Grounds. She fortunately only had some change in her purse to spend upon her children. She felt some one pull at her handbag, and glancing down she found it open and the purse inside gone. She neither saw the operation nor the thief.

TAYLOR NAMED FOR GOVERNOR

Demand Is for the Senator, No Other Name Being Presented.

Nashville, Tenn., October 6.—United States Senator Robert L. Taylor was this afternoon nominated for Governor by the regular Democratic convention, although his senatorial term does not expire until 1912. No other name was presented to the convention, the demand being for Taylor and no one else.

Senator Taylor, at 7 P. M., appeared in the convention hall, and after an ovation, accepted the nomination.

In the main the convention was harmonious throughout, though there was a little breeze when Senator Taylor endeavored to have the platform amended as to the liquor question. The Tollett amendment provided for a referendum of the people, but the amendment was finally voted down, the original platform being adopted, the temperance plank reading as follows:

"The Democratic party has at all times been the consistent friend of temperance reform in Tennessee and other Southern States."

"We therefore declare that the temperance question should not be an issue in a gubernatorial campaign."

"The great controlling issue of this campaign is whether Tennessee shall be turned over to a boss ruled Republican machine in a bargain by which the public officers of this State are sought to be treated as merchandise for barter and sale between politicians and party bosses. The repudiation of this humiliating attempt to barter away the honor of the State is the first duty of every patriotic Tennesseean."

The platform is mainly devoted to State affairs. It is understood headquarters will be opened at once. Senator Taylor will take the stump within the week. J. W. Thomas, of Weakley county, was nominated for Railroad Commissioner for the Western District.
